Betsy

This beer is a homage to the heart and soul poured into the original Betsy. It has flavours of mandarin orange peel, lovingly tuned for altitude, and mixed with the finest barley and hops that are carefully balanced for depth and aroma.

The result is this handcrafted pale ale that tastes great anywhere, but really takes off at 35,000 feet.

此款淡色艾爾啤酒注入國泰航空首架客機「Betsy」的開拓精神與手工精製的理念，特別為高空飲用而釀製。優質大麥配搭精選的啤酒花，味道與口感均衡，散發清新的柑橘皮香氣。當你置身35,000呎高空時，可品嚐到此手工啤酒的最佳風味。
