Schloss Vollrads 1211 Riesling, Rheingau, Germany, 2020

Ripe yellow peach and Mirabelle plum harmonize with racy, lively acidity in this elegant and ageworthy wine. Delicate floral notes, pronounced wet slate minerality and off dry richness perfectly counterbalance the vibrant structure.

Domaine Vieux Telegraphe, Châteauneuf-du-Pâpe, Rhône Valley, France, 2021

Concentrated dark berries, garrigue herbs and signature Provencal warmth make a full bodied yet refined wine with silky tannins and an excellent integration.

Viña Tondonia Reserva, Rioja, Spain, 2012

Extended aging in American oak creates layers of leather, tobacco and dried cherry complexity. Graceful tannins provide the backbone for ripe fruit flavours while bright acidity ensures freshness.
