Please ask your cabin crew for today’s selection.

Domaene Gobelsburg Zweigelt, Niederösterreich, Austria, 2022

This Zweigelt grape variety from Lower Austria offers aromas of ripe cherry, redcurrant and a touch of blackberry, with subtle spice and earth. Medium bodied with soft tannins and fresh acidity, it delivers lively red fruit flavours balanced by a light peppery note. The clean finish reflects the region’s cool climate, while the smooth, ripe, vibrant qualities altogether make it a versatile pairing wine.

Orgo Saperavi, Kakheti, Georgia, 2023

This Saperavi grape variety from Georgia shows a deep purple hue with ruby edges. Aromas of ripe blackberries, cherries, earthiness and spice dominate through the palate and on to the finish, with a slight mineral acidity and dark chocolate that balance the rich dark fruit flavours, with prominent but not overwhelming tannins.

Château L'Hospitalet Grand Vin Blanc, La Clape, France, 2023

This vibrant Mediterranean white wine is led by the unique Bourboulenc grape, enticing with citrus, white peach and white floral aromas. The palate is fresh and textured, balancing bright acidity with flavours of ripe stone fruits and a hint of minerality. The finish is elegant, precise and structured, lingering with toasted almonds and a refreshing maritime influence.
