

How to book a Stopover Itinerary

STEP 1

- Visit Cathay website.
- Click Multi-city / stopover, in the flight booking panel.

The screenshot shows the Cathay website interface. At the top, there is a navigation bar with the Cathay logo, menu items (Flights, Holidays, Shopping, Wellness, Dining, Payment, Membership), and utility links (Search, Help and support, Notification centre). A 'Sign in / up' button is also present. Below the navigation bar, there is a hero section with the heading 'Flights' and 'Online Booking Exclusives', accompanied by a photograph of a couple looking at a laptop. A 'See all offers' button is located below the text. At the bottom of the hero section, there are page indicators (01, 02, 03, 04) and a double vertical bar icon. The main content area features a 'Book a trip' panel with tabs for 'Book flights', 'Redeem flights', 'Stays', and 'Packages'. The 'Book flights' tab is active, and the 'Multi-city / stopover' option is highlighted with a red box. The booking form includes fields for 'Leaving from Singapore, (SIN)', 'Going to Select a destination', 'Trip type Return', 'Cabin class and passengers Economy, 1 Adult', 'Departing on Select a departure date', and 'Returning on Select a returning date'. There is also a field for 'Add a discount code' and a 'Search flights' button.
