

# How to book a Stopover Itinerary

# STEP 1

- Visit Cathay website.
- Click Multi-city / stopover, in the flight booking panel.

The screenshot displays the Cathay Pacific flight booking interface. At the top, there are four main navigation tabs: 'Book a trip' (active), 'Manage booking', 'Check in', and 'Check flight status'. Below these, there are sub-tabs for 'Book flights', 'Redeem flights', 'Stays', and 'Packages'. A 'Price Promise' link is also visible. The 'Multi-city / stopover' option is highlighted with a red box. The main booking form contains the following fields:

Leaving from Bangkok, (BKK / DMK)	Going to Select a destination
Trip type Return	Cabin class and passengers Economy, 1 Adult
Departing on Select a departure date	Returning on Select a returning date

At the bottom left, there is a link for 'Add a discount code'. At the bottom right, there is a 'Search flights' button.

# STEP 2

For example, you are leaving from Bangkok to Tokyo and stopover in Hong Kong for 3 days.

- In the “LEAVING FROM” panel select Bangkok.
- In the “GOING TO” panel select Tokyo.
- Click “Select dates”.

### Transiting in Hong Kong within 24 hours

If you're transiting in Hong Kong within 24 hours, you don't need to include "Hong Kong" in your search. Your check-in baggage will also be checked through to your final destination.

### Staying in Hong Kong for more than 24 hours

If you'd like to stay in Hong Kong for more than 24 hours, include "Hong Kong" in your search. You'll have to pick up your check-in baggage when arriving in Hong Kong.

The screenshot shows a flight search interface for 'Flight 1'. The main heading is 'Where would you like to go?'. Below this, there are two input fields: 'LEAVING FROM' with the value 'Bangkok, (BKK)' and 'GOING TO' with the value 'Tokyo, (HND)'. Both input fields are highlighted with red boxes. To the right of these fields is a blue button labeled 'Select dates' with a right-pointing arrow, also highlighted with a red box. A circular callout labeled 'Flight 1' points to the top left of the search area.

# STEP 3

- Choose your desired flight date.

# STEP 7

- Choose cabin class.
- Set number of passengers.
- Search flight.
- Select your preferred flights.
- Fill in Passenger information.
- Proceed to payment.

The screenshot displays a flight booking interface. At the top, there is a 'Flight 4' label and an 'Add a flight' button. Below this, a search bar prompts the user to 'Select cabin class and number of passenger(s)'. The search bar contains 'CABIN CLASS Economy' and 'PASSENGERS 1 Passengers / Economy', with a 'Search flights' button to the right. Below the search bar, two flight options are listed:

- Flight 1:** Bangkok to Tokyo, Friday 1 November 2024. The flight details show a departure from BKK at 11:40, a stop at HKG (7h 35m), and an arrival at HND at 21:15. The flight is operated by CX750 > CX542. The selected cabin class is 'Economy Light'. A 'Select another flight' button is visible to the right of the flight details.
- Flight 2:** Tokyo to Hong Kong, Thursday 7 November 2024. The flight details show a departure from HND at 10:10, a stop at HKG (5h 20m), and an arrival at HKG at 14:30. The flight is operated by CX543. The selected cabin class is 'Economy Light'. A 'Select another flight' button is visible to the right of the flight details.

At the bottom of the interface, a dark blue bar displays the total price: 'Total THB20,740' with a 'View Fare Breakdown >' link. A 'Continue' button is located to the right of the total price.
